IDEALSEDIA, LA TUA CASA.

IDEALSEDIA, YOUR HOME

Questo catalogo, che ancora una volta vuole segnare un passo importante nell'evoluzione dell'immagine aziendale, nasce dal desiderio di mostrare in maniera sempre migliore e più efficace i nostri prodotti, completamente pensati, disegnati e realizzati in Italia. L'idea è quella di fornire un efficace strumento di vendita, ma anche di trasmettere la freschezza, la qualità e il design italiano che contraddistinguono la nostra produzione.

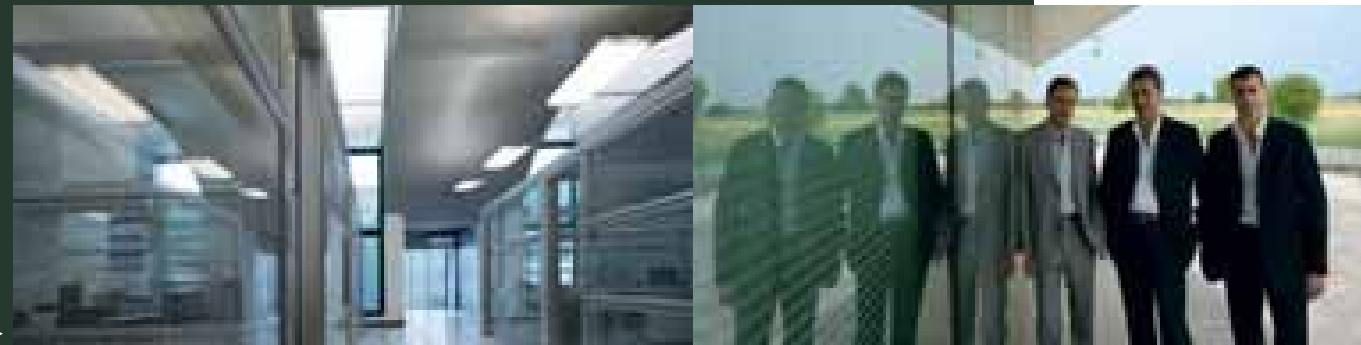

La decisione di suddividere la gamma in quattro segmenti illustrativi e tecnici è in linea con quanto sopra e permette la ricerca rapida e mirata sul prodotto desiderato, spaziando fra tavoli e sedie in legno, in metallo, fra complementi d'arredo e mobili per il soggiorno e fra i tavoli e le sedie che in qualche modo definiscono e tracciano la nostra storia e che ci hanno resi famosi e apprezzati nel mondo.

This catalogue once again marks an important milestone in the development of our company image, our goal being to showcase our products – which are entirely created, designed and crafted in Italy – in an improved and more efficient manner. We wish to provide an effective sales tool, but at the same time transmit the novelty, high quality and Italian design which have always characterised our production.

We therefore decided to divide our product array into four different sections, permitting fast, specific research for desired products including wood and metal tables and chairs, living room furnishings and furniture, and the historic tables and chairs which have made us famous and appreciated throughout the world.
